Collect points and Redeem Planned Service and Training Labour Hours.

You will automatically collect a rewards points with every purchase online whether it is consumables or service parts. For every £100 spent in eShop, you will receive 1 reward point. Once you have enough points to redeem, you can order the reward product. Minimum labour hours to redeem is 4HRS. If you are not sure of how many labour hours you need, please contact our customer service team at +44 (0)844 892 2010 and advise that you would like to use your points. Please note that travel zone and parts are chargeable. Only labour during normal working hours are paid for by the Heidelberg Onlineshop.
